

## *Join MTC Today!*

Become a member of MTC  
and gain access to top  
resources for trauma  
professionals.

With over 90 hospitals and nearly 500 individual staff from those hospitals, the Michigan Trauma Coalition is the only state multi-professional volunteer organization dedicated exclusively to the advancement of trauma care, education, research and advocacy across the trauma continuum.

Founded in 1991, the Michigan Trauma Coalition (MTC) is a non-profit, membership organization comprised of hospitals and trauma centers dedicated to reducing trauma injuries while developing better care and treatment of trauma patients in Michigan. Each hospital membership is allowed to have unlimited staff involved, but only one vote at meetings.

Coalition

## Membership Application

## Commitment to Trauma Care

Membership in this unique organization provides you access to activities that promote excellence in patient care and tools to enhance your hospital's delivery of the right care to the right patient at the right time.

### Trauma Education

Enroll your trauma staff in educational programs that are required or recommended for trauma center verification and State designation, including the AIS Injury Scaling Course (AAAM), trauma registrar training, trauma program manager training, injury prevention coordinator training, and trauma finance training. **These course are now available in virtual format.**

### Substantial Savings

Receive substantial member-only savings on educational programs and resources.

### Career Development and Lifelong Learning

Access educational and clinical content as well as trauma practice guidelines on the MTC website, [mitrauma.org](http://mitrauma.org). Webinars added in 2020!

### Trauma Center Role Development

Gain a multi-disciplinary perspective of the professional roles within a trauma center: Trauma Medical Director, Trauma Program Manager, Trauma Registrar, Injury Prevention Coordinator, Performance Improvement Nurse, MTQIP Clinical Reviewer, Trauma Educator, Outreach Coordinator, Trauma Researcher, and Trauma Administrator. Membership in the MTC provides access to experienced trauma center professionals and resources to optimize your hospital's trauma performance.

### Unlimited Networking

Engage in informative conversations at MTC events, via conference calls, online meetings, or virtual educational events.

### Leadership Opportunities

Give back to the profession and help advance trauma best practices by volunteering in MTC's community of professionals. Join specialty committees like injury prevention, pediatric trauma, legislation, education, research, or the registrars' committee, to meet colleagues with similar interests.

### Advocacy

Collaborate with MTC's lobbyist and Legislative Committee to support bills that advance trauma care, such as maintenance of the State trauma system, traffic safety, and trauma education.
